Vegetable Farm Workers Wanted

We will hire several careful, enthusiastic employees to help us raise vegetables in 2010.

About Two Onion Farm:

- We are a family farm raising vegetables for people in our community. We are skilled vegetable growers who take great pride in raising delicious, beautiful produce. We love what we do.
- We train our employees thoroughly and enjoy working with them. We provide a well organized, respectful workplace.

Qualifications:

- You must work carefully and follow instructions.
- You must work quickly and enthusiastically.
- The position requires physical farm work, and you must be able to lift 40 lbs repeatedly; to bend, squat, and kneel for extended periods; and to work outdoors regardless of weather and insects.
- Experience growing and handling vegetables is beneficial but not required.

Duties:

- Sow seeds and transplant vegetables; weed; install and disassemble irrigation systems; lay mulch, train and trellis plants, perform other tasks as needed.
- Harvest, wash, and pack produce for our customers.
- The work is diverse and changes from day to day and season to season.

Dates and Times of Work:

- We employ workers in this position from May through October. However, individual employees may work for only a portion of that season; start and end dates are negotiable. We encourage college and high school students to apply for summer vacation work.
- We hire both part time and full time employees. We will arrange work schedules to accommodate the best employees. Possible work days and time are: Monday to Friday, 8:30 AM-12:30 PM and 1:30-5:30 PM, and Saturdays 8:30 AM-12:30 PM.

Compensation:

- Starting wage is \$8.00 - \$9.00 per hour, depending on experience and qualifications.
- We often provide bonuses and raises for good performance.
